# MINISTER'S LETTER

Dear Friends,

Last year I read Leo McKinstry's biography of Sir Alf Ramsey called, "Sir Alf". Alf Ramsey played football for Tottenham Hotspur and England and was manager of Ipswich Town and of England. He won the 1<sup>st</sup> Division championship with Ipswich Town and the World Cup with England. Alf Ramsey is arguably our greatest ever football person. I found the book enjoyable and interesting. Even if you have little interest in football it tells us about some of the very big social changes that have taken place since the 2<sup>nd</sup> World War.

In 1948 Alf Ramsey was chosen for the England football squad for the first time. So he went to the Great Western Hotel in Paddington to report for duty prior to England's departure for the continent. On arrival at the hotel he was completely ignored by a succession of England players and the management. Eventually he went up to the trainer and introduced himself. At first the trainer did not recognise him and Ramsey felt humiliated. This taught Ramsey a valuable lesson and when he became the England manager he made sure he personally greeted every new member of the England team. Alan Mullery says that when he got into the England squad for the first time Ramsey came straight up to him, shook his hand and said, "Welcome to the England squad. Make yourself at home." Mullery comments that it was a

very nice introduction.

In the same way we need to be on the look out for the newcomer and the stranger and willing to welcome them and befriend them. This is true for church life. If a new person comes into worship or any other church group let's make sure we greet them and make them feel welcome. It is also true for life in general. Let's be willing to greet and welcome the new person.

Jesus mixed with all sorts of people and extended his loving help to all people. Let us try to follow his example.

May the love and peace of God be with you all. David.

## **NEWS OF THE FELLOWSHIP**

Dorothy Barnes is in Chase Farm Hospital.

Sue Bullock is unwell and has been off work.

Irene Baker has had a successful operation to remove a second cataract.

Congratulations to Irene Baker who celebrated her 90<sup>th</sup> birthday on 30<sup>th</sup> January and to Mary Bysh who celebrated her 80<sup>th</sup> birthday on 8<sup>th</sup> February.

Let us remember all our church family in our prayers and caring. David.

## Guides Thinking Day

# Girlguiding

*girls in the lead*

**From left Golden Rainbow Katherine Fisher, Super Brownie  
Karis Falzon and Guide Amber Falzon**

These Girl Guide awards are given to the girl in each section who participated in all events throughout the year:- camps, weekends away, church parades along with weekly meeting. Showing enthusiasm for all activities, they need to be a team player and generally be considerate and caring about others. The girls are individually chosen by their section leader so it was a lovely surprise for the mothers of Amber, Karis and Katherine

Rangers complete Octant work on 8 areas of a skills programme that encourages them to learn skills for life, Independent living, outdoor, creativity and lots more. The octants are hard to achieve as they involve not only completing a number of skills in an octant but also improving sufficiently to gain a qualification and teach others of various abilities. This scheme encourages leadership, communication and advanced demonstration of multi media usage. utilising their talents and honing them

# Bando Charity Centre

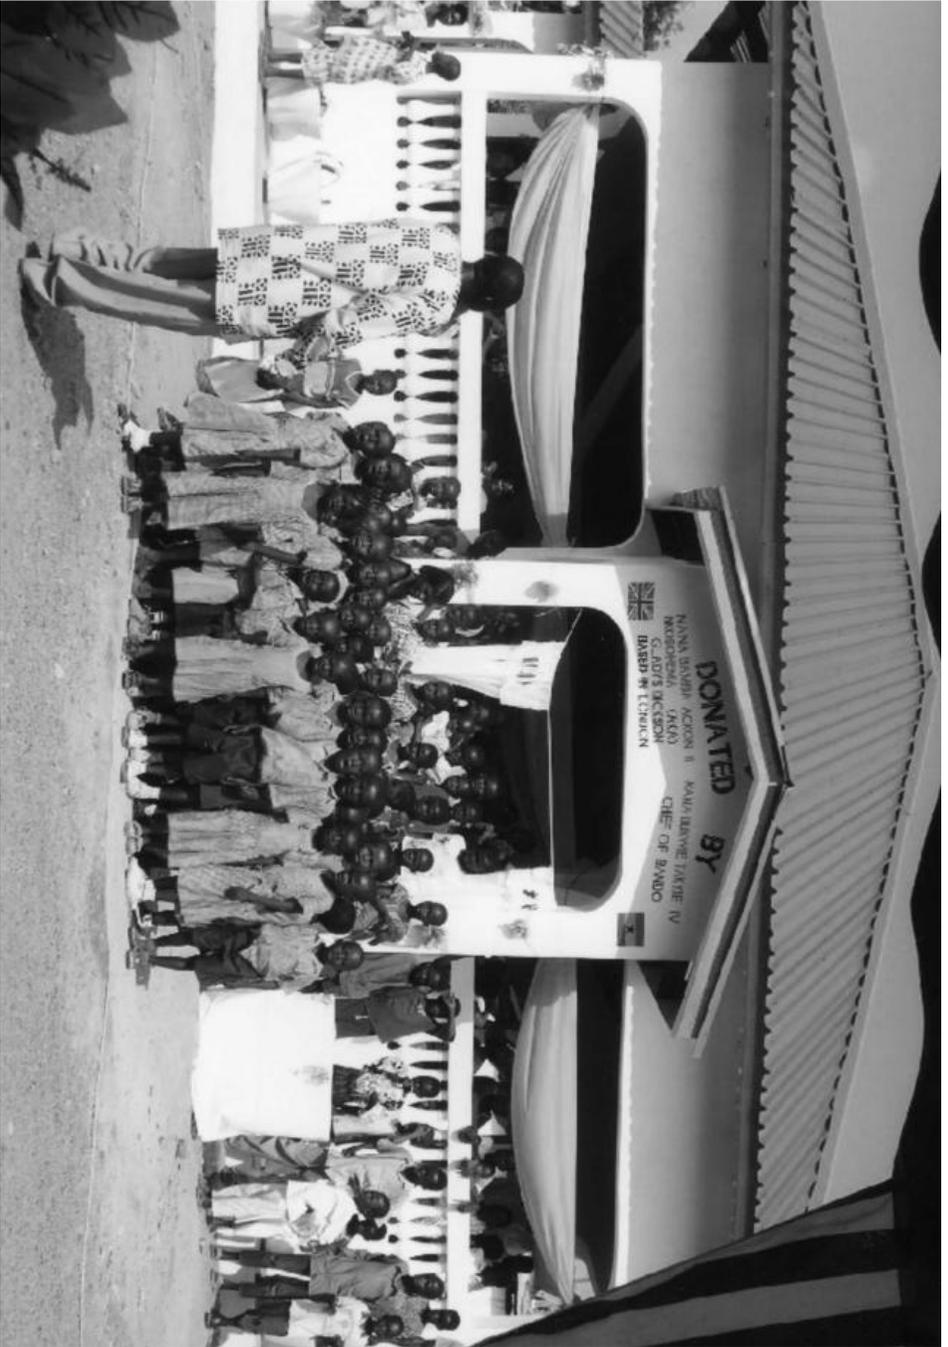

Following our Christmas Bazaar, we donated unsold books to the Bando Charity Centre (currently in the process of being registered), which is organised by Gladys Dickson. Gladys is a member of the Pure Word Ministry Church which shares our Church premises and she first became involved with Bando, when her mother took her to the village on a 'holiday back home' in 2004 - it was there that her Grandparents

were royalty. The Bando Charity Centre, supports a community of about 500 in Bando, by being it's Church on a Sunday and a general meeting house throughout the rest of the week. The photos here show the first building being completed. It has both kitchen and bathroom facilities. The charity is also being supported by Edmonton Baptist Church and Gladys is in frequent discussions with Andy Love her local MP.

Gladys would like to thank Christ Church for our kind donation of books; she has visited Bando again in February and will give us an update on her return .

# GOOD FRIDAY PROCESSION OF WITNESS

We would encourage everyone who is around on Good Friday to join in the procession of witness through Enfield Town. The procession helps to highlight the fact that Good Friday is a special day in the Christian calendar and also that there is an active Christian community in Enfield.

The procession is preceded by a short service at the War Memorial on Chase Green, Chase Side, starting at 10.30 a.m. Following that, everyone processes through The Town to St Andrew's Church, where there is an Ecumenical Good Friday service, starting at 11.00 a.m., which lasts about an hour.

## ONE OF THE CROWD

When he came in triumph,  
We sang in praise to God,  
When he came a captive,  
We shouted for his death.

Why did I betray Him,  
This man who came in peace?  
Why did I forget Him,  
The one who gave us life?

With the crowd I'd follow,  
And take the easy way;  
One day " God bless the King,"  
Another "Crucify."

# News from the Bible Society

During the communist years in Albania the government banned religion, but the bible society of Albania, supported by the catholic, orthodox and protestant churches was formed 11 years ago and has now successfully launched a New Testament in everyday Albanian. At the launch there was much to celebrate. The Bible translators were over-joyed to see its completion. For church leaders, the celebration signified unity between the denominations and for Albanian Christians, Gods word in their own language was cause for celebration.

Please pray that the staff of the Bible Society of Albania remain determined and encouraged to continue their work of making the bible available to all in Albania.

# ANNUAL REPORTS

All leaders of organisations are requested to let Stephen Gilbert have a copy of their annual report for 2007 as soon as possible so they can be presented at the Christ Church Annual General meeting on 30th March
